

Notice to All Bidders – January 12, 2022

Ministry of Government and Consumer Services

is issuing

Addendum #3

on the

Request for Bids No. tender_15808

for

Tube Lake Dam and Bridge Replacement

As per Attachment #1 - Terms and Conditions, Section 1.3.1 of the above noted RFB, Bidders are reminded that the Addendum shall form an integral part of the RFB. Bidders are responsible for obtaining all addenda issued for this RFB on <https://ontariotenders.app.jaggaer.com/>

This document is issued to address questions received from potential respondents to the above noted RFB.

Question #1:

As per OPSS 918 Temporary Modular Bridges, there is a requirement for a minimum of two truss lines per side of bridge. For the length and loading required, the bridge supplier could offer one truss line per side. Please confirm if two or one truss lines per side of bridge is required.

Ministry Response

This request is for the consideration of an equivalent temporary bridge configuration. In accordance to RFB Definitions, Terms and Conditions Section 2.8.2, the Contractor can provide a bid with an equivalent. All of the conditions for submitting an equivalent are described in this section.
